

## ELITE CDC U7 TO U11M AND F

WINTER 2021/2022

**Program Description:** This program is for all players born between **2014 and 2010**. Supervised by trained educators and technicians, the practices of 55' in the gym and 1h15' at Branchaud-Brière will aim at the technical and athletic development of the child with the goal of developing in soccer as well as the reinforcement of strong values of surpassing oneself, of exigency, of pleasure, ..., all necessary for the practice of soccer. This program accompanies the children who wish to practice soccer to perform collectively and individually. Groups of levels will be made at each practice to promote the learning of each one. **This program is offered by invitation only.**

**Program length and practice day:** This program will begin:  
**Tuesday October 05, 2021 to Sunday April 03, 2021**

*If a schedule is not full, the CSA reserves the right to group children in another schedule.*

**4\$ will be added to the registration for the transaction fees**

*\*The price shown is for the program registration for the given date period. If your child has not played during the 2021 summer period, a \$52 affiliation fee will be added to your registration.*

### CDSO Match :

You have the possibility to add CDSO games. The fee would be **\$648** (2 CDC practices + 1 CDSO game)

**Equipment:** Each player will receive a pair of socks, shorts and a practice shirt. Each player will have to show up at the indicated time with their soccer gear (socks, shorts, jersey, shin guards and soccer shoes or a pair of sneakers in gym). They must also bring a water bottle or a water bottle with their name on it.

**Conditions:** This program is open to all children in the above age groups. It is subject to the club's rules and reimbursement policy. Places are limited by the capacity of the fields and the available educators in order to preserve a safe environment and an optimal quality of supervision for the well-being of the children as recommended by Soccer Canada.
